

*Katie Jenkins should have been dead a long time ago, but God preserved her from destruction.*

An overpowering smell of rotting food, soiled diapers and every other kind of trash imaginable permeated the air of the landfill where Katie Jenkins and her siblings had come to find food and clothing. Growing up extremely poor in rural Arkansas, and having to rummage through gigantic piles of refuse to survive, was only a precursor to the intense sufferings and hardships to come.

By the time she reached her early 20's, Katie Jenkins had endured varied forms of mental, physical and sexual abuse that thrust her life into a virtual death spiral. Consumed with hatred, heartbreak and hopelessness, she was a walking corpse, seemingly headed to an early grave.

Miraculously though, GOD revived this tortured soul, delivered her from a prison of torment and translated her into the kingdom of His dear Son (Jesus Christ). Embrace the awesome, life-altering power of God through this account of how one woman survived and triumphed over a life filled with inconceivable horrors, and be transformed by the redemptive hope that lies therein.
